

Meeting Minutes (MoM)

Topic: Development & Integration Plan for Centralized Student Portal

Date: 07-03-2026

Time: 2:15 pm

Venue: Online

Participants: Core Team

1. Purpose of the Meeting

The meeting was held to discuss the technical development plan for the centralized Student Portal, focusing on navigation structure, system integration through SSO, and dashboard improvements.

2. Key Decisions: Phased Implementation Plan

The team agreed to structure the development and integration of the portal into three distinct phases:

Phase 1: Map and implement the navigation menu for the student portal.

Phase 2: Integrate Single Sign-On (SSO) across all platforms connected to the student portal services.

Phase 3: Modify the existing dashboard and implement new features.

3. Action Items & Next Steps

Monthly Technical Meeting: The core team will begin work on Phase 1 and present this topic at the upcoming monthly technical team meeting.

Timeline Finalization: Following the presentation at the technical team meeting, Miraj Sir will coordinate and provide the official timeline for the project's execution.

4. Conclusion

The meeting concluded with a clear direction to improve the Student Portal by implementing structured navigation, integrating SSO across platforms, and enhancing the dashboard with new features. The next step will be presenting the technical plan to management for priority setting and timeline approval.
